

We're Going Trick or Treating

We're walking down the street
We're walking down the street
Oh my, we're having fun
We're walking down the street

We're knocking at the door
We're knocking at the door
Oh my, we're having fun
We're knocking at the door

We're going trick or treating
We're going trick or treating
Oh my, we're having fun
We're going trick or treating

We're saying trick or treat
We're saying trick or treat
Oh my, we're having fun
We're saying trick or treat

We're dressing in our costumes
We're dressing in our costumes
Oh my, we're having fun
We're dressing in our costumes

We're getting lots of candy
We're getting lots of candy
Oh my, we're having fun
We're getting lots of candy

Let's get our candy bucket
Let's get our candy bucket
Oh my, we're having fun
Let's get our candy bucket

The candy is so good
The candy is so good
Oh my, we're having fun
The candy is so good.
